

Young Leadership Program

Program Overview

This comprehensive program, offer by Bambinos, equips children to speak, read and write confidently. We focus on how the overall personality of a young child develops in a positive graph through our program- Young Leadership.

At Bambinos, we are dedicated to helping young children sharpen their communication skills and become world leaders of tomorrow!

Speaking - Our eminently trained teachers help children to master the art of effective communication. We ensure that a child learns voice modulation, correct poise & posture, and unmatched content through public speaking sessions. We emphasize on verbal as well as non-verbal communication skills and give a child the confidence to face a crowd.

Reading - A well-read child is a well-presented child. We at Bambinos, realize the benefits of reading an array of books. Bambinos offers your child, age-appropriate and age-compatible reading modules. Reading enhances the power to express and enrich one's vocabulary, which in turn is an imperative attribute to a child's learning curve.

Writing - One of the oldest and time-tested methods of reaching out to the world is- writing. We at Bambinos, encourage young children to tap and explore their writing skills. Flawless grammar, world-class vocabulary, and semantic understanding of writing are what we focus on. Bambinos aims to launch many budding authors and writers because we provide them with right linguistic tools to write seamlessly.

How do we conduct our classes?

We include time-tested and well approved tools of teaching like-

- ♦ Interaction
- ♦ Group discussions
- ♦ Exchange of ideas
- ♦ Mind mapping
- ♦ In-class activities
- ♦ Puzzles
- ♦ Riddles
- ♦ Home works
- ♦ In-class challenges
- ♦ Brainstorming

...and much more to make your child an - ACE COMMUNICATOR!

Parent Love

Lots of fun in the class today 😄.. long time didnt see my child cheer up like that 😊 thank you ma'am to give our children your best

Ma'am, why don't you take class daily. Kids are really really enjoying. My daughter keeps waiting for the class 😊

Due this pandemic situation . she is not going out from one month so happy to see kids smiling like that.

By the way, I am very happy with the teachers at Bambinos. They take personal effort in every individual child's development. And the course contents are very well-designed. 👍 Please thank the team on my behalf.

You know he has always been a tough child..and Zoro and me have watched taare zameen par movie..somehow I use to feel Zoro could relate to that movie and I always use to tell him one day I will find you Aamir Khan type teacher ...because I have always been teaching him and have almost no patience..kept changing teachers for him but didn't work...but with you it's just miracle that's happening...thank you so so much

SCAN ME

Star Faculty

Jas Johari

Head of Learning

Jas has done MBA (Symbiosis) and graduation from Trinity College London. She is an educationist with nearly two decades of teaching industry experience and has trained thousands of students, faculty and senior corporate leaders. She is India's first trainer in mind maps, speed reading and memory, and has addressed various national and international conferences. She is also the World Speed Reading Champion. At Bambinos, she heads learning, curriculum designing, and manages teacher excellence functioning. She is very inspired to make every child future-ready.

Aparna Sharma

Aparna Sharma aims to provide high-quality academic support to children in their formative years by arousing their curiosity and enhancing their learning process. She inculcates teaching methodologies that are influenced by her own creative thoughts and ideas, as well as advice procured from experts in the field.

Sangeeta Sidhu

Sangeeta Sidhu is a zealous Teacher with an Undergraduate degree in B.ed. Coming from an army background she has been a part of the teaching community for the last 14 years in various schools spread all across India. She firmly believes in utilizing her teaching skill set, to impart and illuminate knowledge to children of all ages.

Star Faculty

Sonam Johar

With excellent verbal and written communication skills, Sonam has taught and mentored young kids and uses child psychology to teach her lessons. Through her public speaking lessons, she wants to help students overcome stage fright, nervousness, build their self-confidence, and the ability to speak in front of others. Her sessions are engaging and focus on experiential learning.

Nidasha Ali

Nidasha Ali comes from the law industry and is an excellent public speaker and writer. She has varied experience in the field of public speaking, cross-communication, and content writing. Her professional behaviour and training aptitude credits to her enriched experience. She wants to prepare young kids for public speaking and creative thinking and is passionate about teaching. She has a deep understanding of children's behaviour and teaches each one according to their pace and level of understanding. She pays special attention to their thought formulation, pronunciation, and speaking flow. Her classes are engaging with a lot of activities for the students and helps them in building their confidence in front of others.

Barkha Gupta

Barkha Gupta holds a Master's degree in Teacher Training in association with UNICEF. She is an experienced high school teacher and understands child psychology. She uses her expertise to understand their behaviour and teach them in their own style. With her fondness for public speaking and creative writing, she aims to improve the writing and grammatical skills of her students. She uses a mix of practices and theories so that children can grasp the idea and truly absorb the essence of writing and develop a strong interest in the sphere. Her lessons are sure to develop moral values among students, and develop their confidence in writing and speaking in public.

Meet the **Founder**

Ashish Gupta

Founder, CEO

Ashish has previously worked at leadership positions at Amazon and Curefit. In his last role, he operated as COO for a series A start-up funded by Lightspeed. Ashish has an MBA from IIM-C and BE from PEC Chandigarh. He is a proud parent of a 5 year old girl and is deeply affectionate towards her. This love drives him to work at Bambinos and guides him to take every decision, which would be beneficial for kids.

Ankit Hetamsaria

Co-Founder, COO

Ankit has previously worked at Curefit and Flipkart and has an extensive operation and design experience. He is an MBA from IIM Shillong and is passionate about building Bambinos as one of the most customer focused organizations.
