Parent Love

B) Rafeef mom

Lots of fun in the class today 😊.. long time didnt see my child cheer up like that 😊 thank you ma'am to give our children your best

B) Keerthi Boppana (Hanvit...
Ma'am, why don't you take class daily. Kids are really really enjoying. My daughter keeps waiting for the class 😊

Due this pandemic situation . she is not going out from one month so happy to see kids smiling like that.

By the way, I am very happy with the teachers at Bambinos. They take personal effort in every individual child's development. And the course contents are very well-designed. 👍 Please thank the team on my behalf.

You know he has always been a tough child..and Zoro and me have watched taare zameen par movie..somehow I use to feel Zoro could relate to that movie and I always use to tell him one day I will find you Aamir Khan type teacher ...because I have always been teaching him and have almost no patience..kept changing teachers for him but didn't work...but with you it's just miracle that's happening...thank you so so much

Meet our **Star Faculty**

Jagannath Govind

Jagannathan Govind is a FIDE-rated player (across Classical, Rapid & Blitz OTB formats) having played across India with over 100 wins in these formats. He is a full-time online Chess coach with about 8 years of experience. He is the editor of the soon-to-release enlarged edition of the Amazon bestselling The Chess Coursebook. Soumya Shrivastava

Soumya Shrivastava is an international chess player, who represented India in Asia Youth championship. She has secured 2 gold medals at the National School Games. Soumya is a skillful chess player, and is very determined to inspire and teach young minds the art of playing Chess.

Raunak Sodhani

Raunak Sodhani is a chess enthusiast from Karnataka. He is a professional Chess coach with many years of experience. He has also co-authored the course content and curriculum for Chess classes at academic institutions. He wants young kids to learn this game and take the sport ahead in representing the country. He has trained over a thousand students across at both beginner and advance levels. He is known for conducting various practice tournaments for kids and helping them in improving their game. He understands how to hold his students' attention, and develops a deep sense of learning for the game. Moreover, he pays personal attention to his students and recommends to them ways to improve their game and come out as the best player.

Meet the Faculty

Abhishek Bhargava

Abhishek Bhargava is an enthusiastic chess player and a passionate chess coach. He wants to encourage children to learn Chess and sharpen their minds and has also conducted several tournaments for students to hone their competitive skills. He wants to train young minds and inspire them to build a passion for the game. He has a fair understanding of student psychology and forms a friendship with them. He uses a variety of tasks, exercises, games, and other aids to make his classes interactive and full of learning. At the end of these classes, students will learn the game with all its tricks and hacks, which will further aid in their development.

Kapil Gupta

Kapil Gupta has been a Chess player since his childhood who has played at various tournaments. Currently, he is a final year Engineering student at BITS Pilani. Teaching kids has been his passion, and he is actively working with NGO Nirmaan Organization to teach under-privileged kids. Through his knowledge of Chess, he would like to inspire and motivate kids to learn Chess in a very understanding & easy way and help them develop strategic thinking capability.

Balakrishna Prabhu

Balakrishna Prabhu is an internationally rated chess player with a FIDE rating of 1751. He hails from Karnataka and has won multiple accolades, including first prize at the Karnataka State Club Junior Chess Championship. He intends to teach Chess to young kids and sharpen their minds. He has trained over 3000 students, within the age group of 6 to 16. Some of his students have represented India in Commonwealth Games and International championships. He is known for conducting various corporate events and Chess tournaments for students to hone their competitive skills. He wants to train young minds and inspire them to build a passion for the game.

Meet the Faculty

Ayushi Singh

Ayushi Singh is a firm believer in the fact that extracurricular activities play an important role in shaping a child's personality. She has always been interested in imparting visual and board games' knowledge to kids, and that is what led her to take up Chess professionally. As a Chess fanatic, she wants to train young kids about the fundamentals of the game and hone their cognitive skills. Playing chess will help the kids sharpen their observatory and thinking skills, and thus become confident in life. Ayushi understands the game and its impact on the students' personalities. She keeps her classes fun and interactive, and ensures that her students enjoy the game.

Satendra Singh

Satendra Singh is a chess enthusiast and has won innumerable accolades for chess. He is an internationally rated player and holds an all-India rank below 1800, with 4th rank in 2017. With an aim to win the Chess Grandmaster title, he continues his hustle in Chess. He intends to teach Chess to young kids and sharpen their minds. He has been a professional Chess coach and has trained many students and helped them embark on a successful journey in the game. He has also conducted various quizzes and competitions for students to showcase their skills. During his classes, he creates a fine balance between fun and learning and ensures that his students enjoy the game.

Sarthak Parashar

I am Sarthak. I am 26 years of age. I have been playing chess for 20 years now. I have been the best board prizes for All India Inter NIT (2017), All India Spardha IIT BHU (2018), All India Sportech IIT Delhi (2019), All India Spardha IIT BHU (2019). Chess has been an intrinsic part of my life and it is my goal to popularize chess across India and around.

Meet the Team

Ashish Gupta

Founder, CEO

Ashish has previously worked at leadership positions at Amazon and Curefit. In his last role, he operated as COO for a series A start-up funded by Lightspeed. Ashish has an MBA from IIM-C and BE from PEC Chandigarh. He is a proud parent of a 5 year old girl and is deeply affectionate towards her. This love drives him to work at Bambinos and guides him to take every decision, which would be beneficial for kids.

Ankit Hetamsaria

Co-Founder, COO

Ankit has previously worked at Curefit and Flipkart and has an extensive operation and design experience. He is an MBA from IIM Shillong and is passionate about building Bambinos as one of the most customer focused organizations.

Jas Johari
