As a parent, I believe that connecting stories from our scriptures along with Shloka recitation is a great way to impart spiritual wisdom in children & feel Bambinos are at it! Also, Renuka Mam's dedication and devotion, keeps the children very lively, develops their interest for learning and piques their curiosity. Hope they go on for a long time to come. A big thank you!!!

We have been with Renuka mam for more than 2 years from the start of corona. We started with Bhagavd Geetha then forced mam to continue Mahabharata and then Hanumana chalisa and currently doing Ramayana. The way she teaches children is really great and childrens have created great bonding with her. Thank you so much Renuka mam

My child is doing her Bhagavad Gita with Bambinos. Renuka Ma'am's teaching is the best. We decided to pursue the course for this reason. The story narration, dealing with kids, giving unbiased attention to all, making the slokhas easy for a 5 year old to fathom and repeat. We personally love Ma'am's exceptional knowledge on the subject, answering all questions and making everyone comfortable. The slokhas in her voice sounds so divine and my child thoroughly enjoys the session. A big thanks to Ma'am.

- A happy mother
