# YOUNG READING PROGRAM

— Curriculum Snapshot —

Session	Topic	Learning Outcome
1	Sound of letter 'S'	The student learns the sound of S with the help of stories, activities, and interactive games and gets exposure to different words having the sound of S. The student learns to write the alphabet (both in upper and lower case).
2	Sound of letter 'A'	The student learns the sound of A with the help of stories, activities, and interactive games and gets exposure to different words having the sound of A. The student learns to write the alphabet (both in upper and lower case).
3	Sound of letter 'T'	The student learns the sound of T with the help of stories, activities, and interactive games and gets exposure to different words having the sound of T. The student learns to write the alphabet (both in upper and lower case).
4	All about me - Introduction	The students will learn about the elements of a good introduction and will practice the same.
5	Sound of letter 'I'	The student learns the sound of I with the help of stories, activities, and interactive games and gets exposure to different words having the sound of I. The student learns to write the alphabet (both in upper and lower case).
6	Sound of letter 'P'	The student learns the sound of P with the help of stories, activities, and interactive games and gets exposure to different words having the sound of P. The student learns to write the alphabet (both in upper and lower case).
7	Sound of letter 'N'	"The student learns the sound of N with the help of stories, activities, and interactive games and gets exposure to different words having the sound of N. The student learns to write the alphabet (both in upper and lower case)."
8	What do I call?	Introduction to pronouns.
9	Revision and Assessment	The student will revise the sounds of S, A, T, I, P, N with the help of various games and activities.
10	Places in the city	Students will be able to understand the vocabulary used for different places in a city.
11	Sound of letter 'C' and 'K'	In this lesson, we introduce the sounds of 'C' and 'K'. Do some word activities

12	Sound of letter 'B'	The student learns the sound of B with the help of stories, activities, and interactive games and gets exposure to different words having the sound of B. The student learns to write the alphabet (both in upper and lower case).
13	Sound of letter 'E'	"The student learns the sound of E with the help of stories, activities, and interactive games and gets exposure to different words having the sound of E. The student learns to write the alphabet (both in upper and lower case)."
14	Farm Animals	The student will learn about different farm animals and their babies and their food habits and how they help us, thereby learning new words and their usage
15	Sound of letter 'G'	"The student learns the sound of G with the help of stories, activities, and interactive games and gets exposure to different words having the sound of G. The student learns to write the alphabet (both in upper and lower case)."
16	Sound of letter 'R'	"The student learns the sound of R with the help of stories, activities, and interactive games and gets exposure to different words having the sound of R. The student learns to write the alphabet (both in upper and lower case)."
17	Sound of letter 'L'	"The student learns the sound of L with the help of stories, activities, and interactive games and gets exposure to different words having the sound of L. The student learns to write the alphabet (both in upper and lower case)."
18	Action words + simple questions	Students will be introduced to the concept of Action (verbs) words and their correct usage in conversation.
19	Revision and Assessment	The student will revise the sounds of C, K, B, E, G, R, L with the help of various games and activities.
20	Has, have	Students will be able to use has and have in sentences..
21	Beginning blends	Introduction to beginning blends - sp, sn, st
22	Sound of letter 'O'	"The student learns the sound of O with the help of stories, activities, and interactive games and gets exposure to different words having the sound of O. The student learns to write the alphabet (both in upper and lower case)."
23	Sound of letter 'M'	"The student learns the sound of M with the help of stories, activities, and interactive games and gets exposure to different words having the sound of M. The student learns to write the alphabet (both in upper and lower case)."

24	Introduction to singular and plural	Introduction to singular and plural words and their correct usage
25	Sound of letter 'U'	"The student learns the sound of U with the help of stories, activities, and interactive games and gets exposure to different words having the sound of U. The student learns to write the alphabet (both in upper and lower case)."
26	Sound of letter 'D'	"The student learns the sound of D with the help of stories, activities, and interactive games and gets exposure to different words having the sound of D. The student learns to write the alphabet (both in upper and lower case)."
27	Sound of letter 'J'	"The student learns the sound of J with the help of stories, activities, and interactive games and gets exposure to different words having the sound of J. The student learns to write the alphabet (both in upper and lower case)."
28	Sound of letter 'F'	"The student learns the sound of F with the help of stories, activities, and interactive games and gets exposure to different words having the sound of F. The student learns to write the alphabet (both in upper and lower case)."
29	Beginning blends - GR,SL,BR	Introduction to beginning blends - gr, sl, br
30	Gender	The student will get introduced to the concept of gender and learn the rules of gender with the help of different fun-filled activities and games.
31	Revision and Assessment	The student will revise the sounds of SP, SN, ST- O, M, U, D, GR, SL, BR with the help of various games and activities.
32	Vowels and Consonants	The students will be introduced to the alphabets of the English language. The students will learn to identify the vowels and consonants.
33	Sound of letter 'H'	"The student learns the sound of H with the help of stories, activities, and interactive games and gets exposure to different words having the sound of H. The student learns to write the alphabet (both in upper and lower case)."
34	Emotions	Students will be able to identify & name the emotions. They will talk about different emotions that they experience on a happy occasion like their birthday.

35	Sound of letter 'V'	"The student learns the sound of V with the help of stories, activities, and interactive games and gets exposure to different words having the sound of V. The student learns to write the alphabet (both in upper and lower case)."
36	Sound of letter 'W'	"The student learns the sound of W with the help of stories, activities, and interactive games and gets exposure to different words having the sound of W. The student learns to write the alphabet (both in upper and lower case)."
37	Blends - FR, PL, TR	"Students should be able to recognize and differentiate the blends - FR, PL, TR"
38	This, that, these and those	The students will learn the concept of this, that, these and those, and the correct use of these words.
39	Revision and Assessment	Revision Session of: vowels/consonants Sound of J, F, H, V, W, BLENDS- FR, PL, TR, This/That/These/Those, emotions.
40	My birthday	The topic of Birthday would you be used to encourage them to give an informal talk and at the same time learn about Public Speaking.
41	Digraph Ck	1. Introduction of Digraph Ck sound. 2. Blending with Ck. 3. Read and write words with Ck.
