Game-based

Full of English adventures

Our Curriculum Highlights

Unbox English offers a game-based learning experience with a unique four-step approach to mastering every concept:

Learn

Introduce concepts clearly and in an engaging manner.

Practice

Reinforce understanding with hands-on exercises.

Out-of-the-box

Challenge students with creative and critical thinking activities.

Deep Dive

Solidify knowledge through in-depth exploration of each concept.

Masterclasses

Build confidence through competitions and quizzes.

Lesson Structure

Each class has a clear objective, ensuring your child grasps the key concepts by the end of the session. This objective targets achieving deeper understanding and lifelong retention.

Outcome

of users see significantly **higher grades in English.**

of users report a significant boost in their child's **interest and confidence in learning.**

of users notice an improvement in their child's **thinking ability after just eight lessons.**

Parents Google Review

“

Had a great experience with the teacher miss Amrita assigned to my son. She made everything so interactive and understandable keeping the child engaged throughout the session. big thanks to her and to the platform-Bambino's for running such an organised and perfect academic platform.

Aruna M

”

“

My son had great experience as the teacher was really well aware of the details and curriculum. Anshu Chaudhry was awesome with my kid as she was very interactive and inquisitive about the thoughts and ideas about my kids during the session.

Shruti Kumari

”

“

Bambinos is a great platform and very helpful for the kids for a great learning journey . My special recommendation is to go for Zarghona maam. She is a great teacher n we totally love her for the turnaround she has done. Thank u ma'am.

Mahima Singh
